This Book is brought to you for free and open access by the Newsletters at Scholarly Commons @ Baptist Health South Florida. It has been accepted for inclusion in Research Matters by an authorized administrator of Scholarly Commons @ Baptist Health South Florida. For more information, please contact Carrief@baptisthealth.net.

RESEARCH MATTERS

CENTER FOR RESEARCH & GRANTS

ISSUE: JULY 2015

New and Improved!

Welcome to the redesigned Research Matters newsletter. The new newsletter will be more concise and frequent (bi-monthly) than the previous version.

If you have information you would like published in Research Matters, please email it to us at CRGResearch@BaptistHealth.net

CenterWatch Coming Soon... The Center for Research & Grants (CRG) has subscribed to the CenterWatch electronic subscription of *Research Practitioner* and will make it available to the entire Baptist Health system on CRG's intranet site. Not only will *Research Practitioner* provide a wealth of articles with pertinent information for researchers, but it will provide nurses and research coordinators opportunity to earn free continuing education credits towards their certifications. Stay tuned for more information!

Elevating care through discovery

OnCore Corner

OnCore, our Clinical Trial Management System that has the capability to streamline research administrative processes and ensure research billing compliance, is now live with the clinical research and bio-specimen management modules.

We currently have 39 active studies in OnCore.

More information pertaining to OnCore can be obtained by contacting Shonna Walker at (786) 594-6701 or email OnCoreSupport@baptisthealth.net
