Author Correction: Impact of KRAS mutation status on the efficacy of immunotherapy in lung cancer brain metastases

Correction to: Scientific Reports https://doi.org/10.1038/s41598-021-97566-z, published online 13 September 2021

The original version of this Article contained an error in the Funding section.

“This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.”

now reads:

“This work was partially funded by the Ruth L. Kirschstein National Research Service Award (NRSA) Individual Fellowship F30CA250254 (AL).”

The original Article has been corrected.
